- El Centro College
AAS in Applied Sciences – Paralegal Studies

SUMMARY OF EXPERIENCE

Ana Verduzco has over 15 years of experience supporting litigation dispute matters. Having worked as a paralegal for several law firms, she has extensive experience in document review and strategic legal support. She supports consultants in data analysis, document management, and editorial development of expert reports.

Prior to joining Baker & O'Brien, Ana worked as a Paralegal for an AmLaw 100 firm, providing support in high-stakes commercial and corporate litigation. She has extensive experience in legal research, discovery, and trial preparation, providing support in depositions, mediations, arbitrations, and settlement negotiations. She has experience in criminal defense, construction litigation, bankruptcy, and civil law. She is currently completing her bachelor's degree in interdisciplinary studies at Dallas Baptist University.
